

# EAMC FEDERAL CREDIT UNION

## MEMBERSHIP ANNOUNCEMENT

Dear Credit Union members,

It has been a little bit over a year since we moved into the new building and I am happy to report that the Credit Union is financially sound, and growing at a steady pace. In 2008 we began exploring the opportunity of making the EAMC Federal Credit Union a community credit union. In late 2009 the National Credit Union Administration approved our application, and now our membership is open to ALL who live, work, worship, or attend school in Lee County. This will allow us to expand our membership, and more members mean more services. In fact, this spring we will be rolling out a credit card program with a very affordable interest rate.

Along with a membership change, the board has unanimously approved a name change. Beginning today, we will be called ***East Alabama Community Federal Credit Union***. While the name has changed, the staff, management, and board will remain the same. As a member, you are still an owner. EACFCU will continue to strive for a high level of customer service. We just want our name to be a better reflection of who we are. We hope that our new structure will provide you with expanded services, more locations in the future, and all the assistance you need to be financially successful.

You will begin to see evidence of this change in the near future. A new sign will be installed with our new logo and a message board. Stationary will change, and the web site will be updated. However, your old checks and ATM cards are still good. For you as a member, the change should be barely noticeable.

On behalf of the board of Directors, I thank all of you for your support. Our credit union has been in business for more than 50 years, and we plan to make this organization one that you can be proud of for the next 50 years.

Richard Byerly, Board President
